

# SH310 Ultra-light and ultra-easy

- ▶ In front office or counter environments and at home, it can quickly be put on, either on your right or left ear, and taken off - with only one hand
- ▶ **Noise Canceling** blocks out a great amount of ambient noise, making your voice easier to understand
- ▶ Special **acoustic foam** ear pad optimizes sound penetration around center of cushion and into ear canal while minimizing leakage. Sound remains superb whether using **leatherette** or **foam ear pad**

**ActiveGard™**  
An active guard for your hearing

The SH 310 lightweight ear clip headset features a compact microphone boom and is ideal for people who need to move around with their hands free. It is the stylish and high-quality solution for users who value high comfort and great speech quality in any telephony situation.

- ▶ **ActiveGard™** safeguards the user from the effects of an acoustic burst
- ▶ **300° adjustable microphone boom** allows the mic to be positioned exactly for optimal speech clarity. Teflon®\* washer support increases positioning accuracy, stability and ensure optimal durability.
- ▶ Just like a normal telephone, sound is received through one ear, making wearing easy to get used to
